

# Onyx Village Connection app

Graphic design

# Fonts

“*Big Shoulders Display*”: Use this font for **header text**, and for text inside **sign up buttons**.

Use this font in **bold** (weight 700)

-Very similar to the Onyx Village Connection logo font

## Big Shoulders Display Bold

Bold 700

## Onyx Village Connection

# Fonts

For **regular body text** and **text inside other buttons**, use the default flutter font

No need to adjust the font weight

★ Food name:

★ Pickup address:

★ Weight of donation:

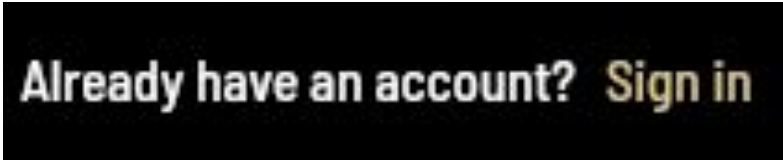

Pasta

Delivered on 3/15

# Fonts

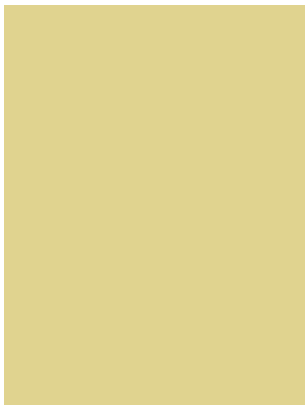

For the sign in button use the font “*Barlow Semi Condensed*”, in the style **medium** (weight 500)

Already have an account? **Sign in**

# Colors

Use the color #E0CB8F to color the **app bar**, **bottom navigation bar**, **icons**, and **buttons**.

```
color: Color(0xFFE0CB8F)
```

# Flutter icons

These icons do not need to be imported, you only need to type in the code.

Profile icon

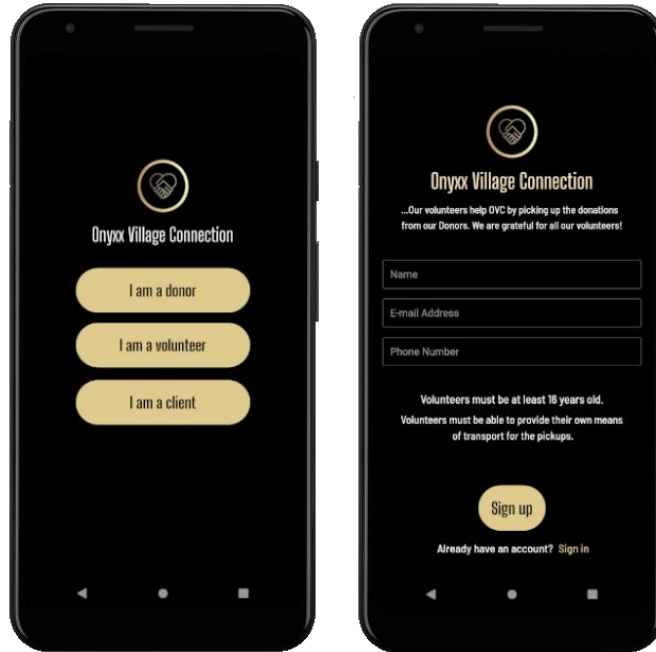

Pickup icon

Add icon

# Graphics

Use the OVC logo for graphics on the splash screen, landing page, volunteer signup screen, and client signup screen

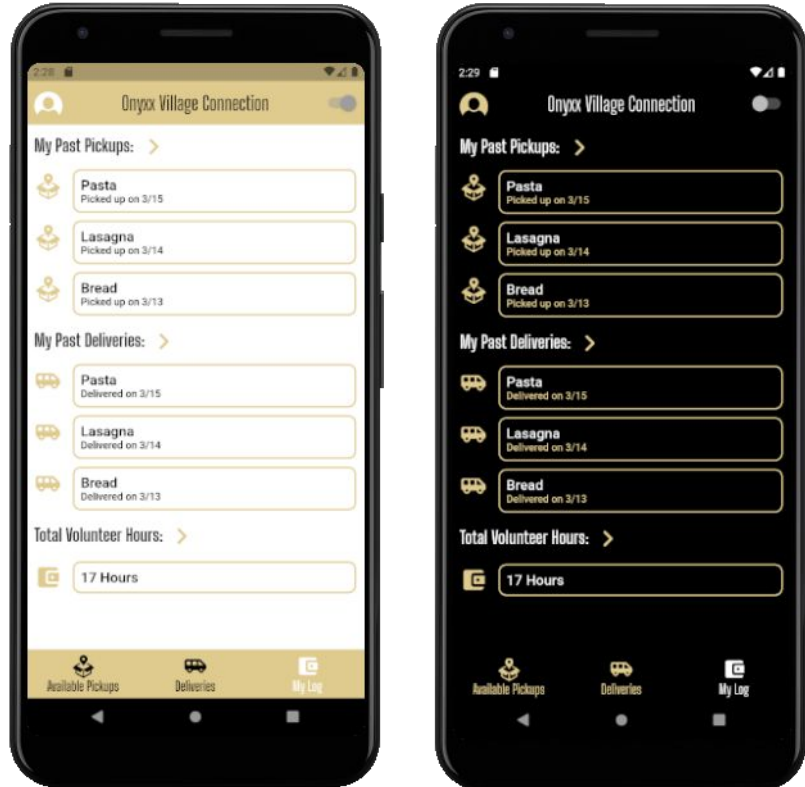

# Graphics

You can also use the other version of the ovc logo if your page looks too empty.

# Example/prototype screen

Here is my volunteer log screen using the fonts, colors, and icons
